MURAD NASER

Award-winning art & fashion photographer

ABOUT MURAD

MURAD NASER has always been fascinated with light and image. After earning his credentials from the prestigious Bockford Photography Institute, he trained in the city's most illustrious studios before setting up his own. He has since made a name for himself in the industry by capturing stories, not mere subjects.

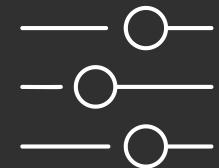

You'll know a photo by Murad from his signature style: soft light juxtaposed against stark imagery; never too nuanced, and always with a bit of whimsy.
